Prime Rib Night

You love Prime Rib Night, and so do we! Treat yourself to a featured dinner of Prime Rib and delicious sides.

FEB. 25

Sunday Brunch

Unwind from the week with Brunch on Sunday morning! Enjoy some of your favorite dishes and drinks.

Sign up for events on the Social Calendar on our website or with Club Concierge!

A NOTE FROM YOUR GENERAL MANAGER

Dear Membership,

As 2024 continues to unfold, we are excited to regroup as an organization by identifying the areas where we are most successful and the areas where we need to focus on continual operational improvement. As with any quality organization, continual improvement is an ongoing journey.

The Membership was recently sent a comprehensive survey by Rick Steele. We encourage you to complete this annual survey, which will be helpful in evaluating various aspects of our operation.

Speaking of surveys, the Club will also begin implementing an automated, daily survey program in late January. The software program that manages the survey program is called Member Insight, and it sends out surveys that are triggered by a sales transaction in either the Golf, Racquets, or Food & Beverage Departments of the Club. Twenty percent of the Members that completed a departmental transaction on that day will be sent a satisfaction survey. Based on your responses, the survey module will ask key questions about each department and assign the Club a Net Promoter Index number. This Net Promoter Index will help establish a metric that we can use to measure our success and consistency in operational performance for each department. What is most important when receiving this daily survey is to reflect and grade your most recent visit and not on your past experiences. Your feedback is the only way to keep our fingers on the pulse regarding what is working and what is not.

If you have visited the Club recently, you have seen that the porte cochere project is well underway and should be completed soon. This project also encompasses the replacement of the roof shingles on the original side of the Clubhouse. Other projects scheduled for 2024 and beyond will be discussed at our forthcoming “State of the Club” meeting.

Our 1st quarter of Food & Beverage promotions is up and running and started with a sell-out crowd for our first Nerf Archery and Burgers & Brews. The return of our Prime Rib Night feature was also well received and sold out quickly. Additionally, we are experimenting with hosting a monthly Sunday Brunch and will monitor the demand for this and other promotions.

January was an unusual month regarding the weather when a cold wave necessitated that we take preventative measures to protect our golf courses by closing them and covering many greens. This decision was not taken lightly, as it was impactful on everyone. The entire Reserve Club team of associates wants to thank you for your support and understanding.

In closing, I hope to see many of you in and around the Club over the course of 2024.

Respectfully,

Barry Garrett

BARRY GARRETT
CCM, CCE
CHIEF OPERATING OFFICER AND GENERAL MANAGER

A LETTER FROM YOUR MEMBERSHIP DIRECTOR

Starting 2024 Off Strong!

The New Year started strong here at The Reserve Club! We rang in the new year with many of you at our New Year's Eve Gala. Everyone dressed the part and had a great evening. Thank you to those who came and celebrated with The Reserve Club! We also hosted Nerf Archery and Trivia this month, and both received significant participation. Congratulations to our trivia winners: Sue & Hal Todd, Tina & Mark Houston, Janet Roberts & Judith Michurski, Carolyn & Tal Tribble, Donna & Joe Tully, and Suzanne Yuskiw.

February promises to be another fun-filled month. We start the month with our Super Bowl-themed First Friday. Proceeds raised during the event will go to local charity, Aiken Women's Heart Board, so be sure to come out and support a great cause. February also brings Valentine's Day, so be sure to book your table for our Valentine's Sweetheart Dinner to celebrate with that special person in your life. Thank you to all who submitted a newsletter story sharing your testimony of love. It is always lovely to read your stories.

Spring and kickoff meetings for our many golf leagues are on the horizon. Now is the perfect time to upgrade your Membership and get involved in the ladies' or men's golf leagues. We have Sports Memberships available for those interested in tennis or pickleball. Please do not hesitate to reach out or stop by my office to discuss upgrading your Membership!

WELCOME NEW MEMBERS!

JANURARY 2024

Cheryl and Dr. Mark Davanzo

LouAnn and Gregory White

Debra Fin and Richard Vander Weele

Carol and Michael Smyth

As we venture into this new year, I would like to thank each of you for your continuous support of The Reserve Club. You truly are a special Membership!

Samantha Zabel

SAMANTHA ZABEL
MEMBERSHIP DIRECTOR

DINING & EVENT UPDATES

LOOKING BACK AT JANUARY

We were excited to introduce a new social event, Nerf Archery, and to bring back our Prime Rib Night. We kicked off the month with the “Winter Warm Up” First Friday Pub Club, and it was great to see everyone enjoying themselves while dressing to the theme. Since it was a little chilly to play Cornhole outside, Mr. Bob Behlke came up with the idea to introduce Nerf Archery, which we paired with a Burgers Brews night in the ballroom. The competition was fierce, and it was a massive success with a full house. I highly recommend signing up for the next Nerf Archery event in March!

We rounded off the month with everyone’s favorite, Trivia Night, which sold out quickly. Congratulations to the winners! We also welcomed Prime Rib Night back in the dining rooms, which also sold out. If you missed out, be on the lookout for a notice about Prime Rib Night in February.

Sunday Brunch, on the 28th, hopes to be a success, and we look to incorporate more Sunday events here at The Reserve Club.

TAKE A LOOK AHEAD

Looking ahead to February, we are excited to welcome back our golf groups, including the RCWGA 9 and 18-hole ladies. Stay tuned for registration emails this month for our Southern Comfort Specials Night on the 7th, Valentine’s Day Sweetheart Dinner on the 14th, Prime Rib Night on the 21st, and Sunday Brunch on the 25th. We look forward to seeing everyone around the Club this month, and thank you for your continued support of our Food & Beverage Program!

Rich Zabel

RICH ZABEL

ASSISTANT DIRECTOR OF FOOD & BEVERAGE

Meatballs

Meatballs are versatile as a hot appetizer or a main dish served with starch, like pasta or rice. Here is a basic recipe for meatballs or meatloaf that contains the ratio I use. It lends for a tender, flavorful product that can be modified any way you can imagine.

Ingredients :

- 1 c Panko Breadcrumbs
- 1/3 c Milk
- 1 lb Ground Beef
- 1 lb Ground Pork
- 4 cloves Garlic (pressed or minced)
- 2 Eggs
- 1 c Parmesan Cheese
- 1/4 c Fresh Italian Herbs (i.e. Parsley or Basil)
- 1/4 c Yellow Onion (diced)
- 2 tsp Worcestershire or BBQ Sauce
- 1 tsp Dried Oregano or Italian Seasoning
- 1 tsp Kosher Salt
- 1/2 tsp Black Pepper

Instructions :

1. Start by making the Panade, add the Milk to the Breadcrumbs and allow to absorb for 15 minutes.
2. Cut the Onions and mince the Garlic, then sweat down in a bit of olive oil until translucent. Allow to cool, then reserve.
3. In a metal bowl, mix the Beef and Pork together.
4. Add the Cheese, Herbs, Seasonings, Worcestershire/BBQ, Salt, and Pepper to meat mixture, then mix a bit until incorporated. It is important not to overwork this mixture as it will yield a tougher product.
5. Squeeze any excess Milk from the Breadcrumbs and add to the mixture, then add the Eggs and mix again just until combined well.
6. You now have a mixture that can be scooped into balls for meatballs or formed into a loaf for meatloaf. I scoop my meatballs about 1-1.25 ounces and cook in a 400 degree oven for about 8-12 minutes until they reach 165 degrees internally. The high heat on smaller meatballs allows a little color to develop, which I like. Meatballs can also be braised in a sauce and served with that sauce over pasta.

Jon Gamlen
JON GAMLEN
EXECUTIVE CHEF

Evergreen GIMLET

Ingredients :

- 2.5 oz Vodka
- 0.5 oz St. Germain
- 0.25 oz Rosemary Syrup
- Splash of Fresh Lime Juice

Instructions :

- Combine all ingredients.
- Shake well.
- Pour over fresh ice and garnish with a Lime.

Try the Candied Rosemary Garnish!

- Dip Rosemary in a diluted simple syrup.
- In a separate bowl, toss the Rosemary in Powdered Sugar.
- Add to your Evergreen Gimlet for a photo worthy cocktail!

what you think!

"The Greatest of These is Love"

CIRCUS BIRDS TURNED LOVE BIRDS

We arrived at Illinois State University in fall of 1976, Barry from Lombard and I from Fairbury. Our paths didn't cross until a year later and in a unique ISU environment, the Gamma Phi Circus. I joined the circus my freshman year, but Barry didn't get the circus "bug" until his sophomore year. We were in the same friend group, but didn't start dating until midway through our junior year. That first official date was over 40 years ago. Our senior year, we were circus adagio partners and Gamma Phi board members (he was the president and I was the vice president).

After graduation, we both began careers with IBM, but in two different cities (Springfield for Barry and Peoria for me). When we got married in 1984, Barry transferred to the IBM Peoria office, where we remained until 1992. Then, it was back to Springfield for the next 23 years. Today, we reside in Aiken, South Carolina.

-Deb & Barry Shultz

"SHE IS MY SUNSHINE AND
MAKES EVERY DAY
VALENTINE'S DAY!"

44 years ago, I went to my first Air Force assignment in Misawa, Japan. I was assigned to a classified facility and went through my clearance briefings. Then I went to the my work location. They introduced me to my boss, Cheryl, and she has been my boss ever since!

Cheryl is the best and makes our families' lives so special! After 43 years of marriage, she always makes sure everyone else come first. She is my sunshine and makes every day Valentine's day!

-Cheryl and Mark Schmattz

It was 1981 when I made the decision to part ways with the Air Force after just four short, memorable years. I returned to my parents' home in Georgia. By this point, my parents had downsized from a large house into a nearby 2 bedroom condominium, as they prepared for their retirement. They were happy to see me, yet naturally worried how long this new arrangement would last. As I began a methodical search of my hometown for new career opportunities, believing that my service experience would open more doors, I became increasingly disappointed at what was available. As Thanksgiving neared, I made the decision to return to the Air Force. My new assignment was Homestead, Florida. I could not have been happier, and my parents were relieved without actually saying it. I said my goodbyes and packed the new car for the drive south.

Arriving in Homestead, I was assigned to a unit barracks and met my new roommate. I got the same greeting from him that my parents had offered. He seemed genuinely glad to meet me, but not happy to share the room. Within a week of moving into our room, a young woman knocked on our barracks door. I answered and she seemed surprised to see someone other than my roommate. She asked if we could hide her from a date she had agreed to and, at the last minute, became frantic to avoid. We agreed to keep her out of sight. I was introduced and learned her name was Shar. I don't know if it was obvious to anyone else, but I was instantly smitten. We were dating within a week, and within two months of my arrival, I received another assignment. This new assignment was overseas to England. This was a tough time for me as I had just met someone I didn't want to lose. I managed to turn down the new assignment, but was told I would likely be getting another soon and would not be allowed to turn it down.

In discussing these developments with Shar, and wondering if she felt the same for me as I did for her, she made her feelings clear. We could get married, and then any new assignment for me could become a joint assignment for us. The Air Force always tried to accommodate married service members when they could. We were married just three months after that knock on the door. We were both so worried about what our parents would think, we didn't tell them for two months. Months later, just as we were warned, another assignment came for me. This one was again to England. We made the trip to England together and thus began our ventured life. We have since lived and traveled around the world and had two sons, each born overseas. The spontaneous decisions we made in early 1982 proved to be everlasting. Shar became more than my wife in 1982, she was also my best friend, and remains so today. Happy Valentine's Day!

-Shar and Rick Whitenack

-Carol and Wallace Fraser

Carol and I met while attending college in 1963 in North West Pennsylvania, she at Edinboro University, and I at Alliance College. I was a sophomore, checking out all of the "new" freshmen girls at Edinboro. I helped her with her luggage and followed up by attending a dance where we continued to spend time together. We both had boy and girl friends back home, so the relationship took a little more time to gel. After about 2 years, things were going real strong, which wound up in us getting engaged in April 1967, then married in February 1968. Now, after almost 56 years together, our "love" story still goes on! The keys are communication, support of each other, and having God in our lives.

For the Love of Football!

This month is full of love... and football! It is also American Heart Month, a time dedicated to promoting awareness and education to prevent heart disease. We thought combining the themes this month into a First Friday event would be a great idea! We are celebrating the upcoming Super Bowl and raising money for Aiken Women's Heart Board, a local organization supporting the mission to fight and cure cardiovascular disease.

**Buy a Square,
Make a Difference**

How Do I Participate?

During First Friday Pub Club on February 2nd, we will have four boards set up, each with 100 squares on the board. Each board represents a quarter of the Super Bowl. Members can buy as many squares as they'd like for \$10 per square. Once a square has been purchased, the purchasing Member will sign the square they have chosen, staking their claim. All proceeds from our game will be donated to the Aiken Women's Heart Board.

After all of the squares on each board have been purchased, the numbers designated to each row and column will be chosen randomly. These numbers signify the last digit of each team's score at the end of each quarter.

During the Super Bowl on February 11th, images of the completed boards will be posted on The Reserve Club's social media accounts. You can follow along to see if you are a winner!

Aiken Women's Heart Board

"The Aiken Women's Heart Board (AHWB) was founded in 1968 by a group of women in Aiken determined to save and improve the lives of others." The group raises funds to support the American Heart Association to end heart disease. Since its inception, AWHB has raised over 2.6 million dollars for the cause.

How Else Can I Get Involved?

Aiken Women's Heart Board sponsors numerous events throughout the year. In February, AWHB holds the annual "Heart Show" at the USC Aiken Etheredge Center. Ticket sales benefit their mission of research and education.

Tickets for the 2024 Heart Show, "Heart Revival," held February 21st - 25th, will be available for purchase during First Friday Pub Club.

To learn more about the Aiken Women's Heart Board or how to get involved, visit their website at awhb.org.

How Do I Win?

After each quarter of the Super Bowl, the Member that purchased the coordinating square will win a gift card. For example, if the score at the end of the first quarter is Team One 10 - Team Two 3, the Member that purchased the starred square will be declared the winner of that quarter.

Note that the numbers for each square will not be known at the time of purchase. It is all up to chance!

The winners of the first three quarters, or boards, will each win a \$100 gift card. The final winner, the Member who purchased the winning square on the 4th quarter board, will receive a \$250 gift card.

This is a great way to give back to the community, promote heart health, learn about a local organization, and celebrate the biggest football game of the year! Why not take the chance on winning?

Since it is First Friday...

We want to get our Members involved in our First Friday festivities and enjoy complimentary cocktail samples courtesy of Woodside Development, until they're gone! And don't forget to wear your team colors or jerseys to the event!

If your team did not make it to the Super Bowl, but you still want to be festive, February 2nd is also National Wear Red Day. Wear your favorite red outfit to raise awareness about cardiovascular disease and help save lives!

Sign Up is Open!

Please be sure to sign up on the Social Calendar for us to anticipate Member participation. We are excited to see everyone in the Sports Lounge, Pub Bar, and Veranda all decked out in their red and team colors!

Village Fitness: Your Neighborhood Gym

Looking to make 2024 your year to stay healthy? Check out some of the amazing opportunities at Village Fitness, your neighborhood gym! >>>

Enhance your swing during a Titleist Performance Institute certified Swing Strong lesson.

Relax and unwind with a massage or skincare service with a licensed specialist.

Refine your posture, and advance your athletic potential with Practitioner Assisted Stretching.

We have had a few members request that we review some basic facility guidelines and gym etiquette. We want EVERYONE to feel “at home” in our facility. Feel free to take a look at some of the gym etiquette we strive to achieve on our website at www.villagefitnessaiken.com/etiquette.

Improve your range of motion with a yoga class.

Elevate your heart rate using high intensity intervals with body changing barre exercise.

Refuel and recover after your workout with a smoothie from the Smoothie Bar.

Exercise at anytime with our 24/7 access!

New Year, New You! *Or, at Least, New Pickleball You!*

Have you been playing for a while and wondering why your game stays at the same level? This is very common in recreational pickleball players. They pick up the sport and love playing almost immediately. They play for a while with success and improve rapidly. But somewhere along the line, their progress begins to slow and plateau. Why does this happen, and how can we overcome it?

This happens because we get comfortable with the game we play. It works for us against the groups we play with. Why change it if it's working, right? We will never improve if we play within our comfort level all the time. Challenge yourself to play those at a higher level or with more experience than you. You might not win, but you'll work to adapt and change your game. Things you get away with in your regular game, you won't get away with against better players, and you'll be forced to play differently. This will help you add more tools to your pickleball "toolbelt."

Another way to overcome this stagnation in your game is to stop playing! Stop playing games all the time and spend time drilling. As they say, "practice makes perfect!" Find shots you would like to improve and practice them repeatedly. Develop that muscle memory so that you start applying these shots in your games. Find a group that will drill over playing once or twice a week. This is one of the best, and quickest, ways to see progress in your game. Take a private lesson and let a teacher guide you to a new skill. Don't let another year pass without trying something new to progress your pickleball game.

See you on the courts!

Superintendent's Message

Here's hoping that you all stayed warm and weathered the chill. We appreciate your patience with the recent course closure to ensure the integrity of the courses. Your Greens team has been busy, and we used the time to get started on several projects. These projects included the spraying of pre-emergent herbicide and Roundup, pigmenting the fairways, repairing the sinkhole on #11 Hollow Creek, and installing pavers to widen the turn-around on the white/green tees on #18 of the Reserve Course.

As we enter 2024, I wanted the Membership to know that this is the year we will get serious about addressing our #1 challenge, course drainage. As we've communicated in previous emails, you know that proper course drainage is essential to healthy turf growth. We will be attacking this challenge in 2024 like never before, and I am committing 4 of the 10 workers we are contracting from the H2B visa program to this most crucial task. We will try to accomplish our goals with minimal disruption to play, but please know that there will be occasions when certain holes will need to be temporarily closed. I assure you, the results will be worth the sacrifice.

Tip of the Month

Stay warm in this weather while out on the course! Please remember to take care when operating your carts around our course. During the dormant season, crop circles caused by rapid acceleration and turning on our fairways and ruts around the cart path can damage the course.

On that note, we appreciate the Membership's acceptance of closing one hole per nine holes on each course during the dormant season. I can already see the difference in turf quality, especially in the rough, where carts typically travel to and from the fairway.

Thank You!

- Thank you Membership, for your diligence in protecting the cups on the greens.
- Pulling the pins and taking care when removing your ball from the hole has resulted in a noticeable improvement in cup quality!

Additionally, we accepted delivery of our second leaf picker this month, and it's excellent! Also, Toro is recovering from its pandemic slumber and is starting to hit target dates for delivering new equipment. I expect deliveries of our new and additional leased equipment to begin in May, with complete inventory on-site by the end of June. This infusion of capability will help our staff be more productive and allow us to knock off additional tasks during the year.

For more information, please check out the minutes from the 1/15/2024 Greens Committee meeting on the Reserve Club website. The minutes have been combined with the Advisory Board minutes under the "Resources" tab, followed by "Advisory Board & Committee Role and Responsibility" and "Recent Committee Minutes."

New Flags!

This spring we will install new yellow flags and flagsticks to improve viewability.

August 8th
September 26th
October 17th
Banquet - November 11th

President's Message:

As we turn the calendar page to 2024, we say hello to our new year's resolutions. You know, those resolutions of "I'm going to lose weight, eat better, work on my golf game." By now, most of us have said the heck with those resolutions, especially when we look outside and it's winter. Most players choose to sit and wait for warmer weather to get going with golf again. But then you turn on the TV and the PGA has started in Hawaii. Excitement builds as we look ahead to the 2024 TRC golf season. The days pass and the temperature rises slowly and the next thing you know, we start to notice how warm it is. The cycle begins again.

It's my pleasure to welcome you to the 2024 RCMGA season. We congratulate last year's Jim Hudson Cup champion, Tom Foss, and look ahead to crowning a new, or repeat, champion in 2024. To prepare, the RCMGA Board of Directors started the planning process back in December. We welcomed new team members Tom Butler and Ron Kuntz that you, the RCMGA membership, elected and added Mike Lee to the team in an advisory position. Together, the Board welcomed the challenge of creating competitive and fun events for the new season leading up to our year end RCMGA Awards Banquet. You'll be happy to know that, for the fourth consecutive year, we are not increasing either our annual dues or our event charge.

The excitement began January 26th with the 2024 RCMGA season Tee-Off Meeting where we shared coffee as the RCMGA Board presented our upcoming season and the changes to deliver another fun filled competitive season for the ever-growing RCMGA membership. Our slogan "We have something for everyone" continues to guide our decision making in creating events where all our members can compete, regardless of their skill level.

As we observe the growth of TRC, the RCMGA becomes an important avenue for the new Club Members to get acclimated to TRC golf and meet new friends as they become part of TRC family. For those looking for more information about the RCMGA, you can go to our web page, located in the Golf section of the Club's website. New Members looking to sign up for the RCMGA, please go to ForeTees and click on events, scroll all the way to the bottom of the Events page to a yellow banner that reads "2024 RCMGA New Member Sign-up". Existing 2023 members are automatically signed up.

Let's get the season started! The RCMGA Board of Directors wishes everyone a happy and healthy new year. Make joining the RCMGA one of your new year's resolutions, one that you can keep and reap the benefits!

Find more information about the RCMGA on the Club website.
