ADULT Egg Hunt

March 29th | Event Lawn | Pub Club

Do you ever miss the days of hunting for Easter eggs in the yard or breaking them open to see what was inside?

Woodside Development and The Reserve Club will be hosting the second annual Adult Egg Hunt on March 29th! The first 30 Members to sign up on the Social Calendar are eligible to participate in the hunt. All Members are welcome to watch the fun and see who walks away with the coveted Golden Egg!

Enjoy cocktail samples, hors d'oeuvres, and time with friends out on the lawn. We cannot wait to make memories with you all!

==A NOTE FROM YOUR GENERAL MANAGER==

Dear Membership,

As we delve into the new year, I am happy to report that 2024 is off to a great start. We have experienced sellout crowds for Burgers & Brews, Trivia, Prime Rib Night, and had strong support for our Southern Comfort Specials and Valentine's Sweetheart Dinner. In March, we are looking forward to hosting Lobster Night, Sitcom Trivia Night, St. Patrick's Day Pub, and back by popular demand, Prime Rib Night. We will finish off March strong with our annual Easter Brunch. The marketing team will soon publish our Upcoming Events at the Club for the second quarter, so keep an eye out!

It was great to see record Member participation in our Annual State of the Club Meeting hosted by Rick Steele. Lots of great feedback was provided, and the team is working diligently to address a variety of follow-up assignments generated from the meeting.

In early March, as soon as the weather warms up a bit, we have contracted a pool company to drain the pool and perform a scheduled pool floor repair. Shortly after the work is completed, we will be getting the pool heater fired up and the pool ready for opening for the season.

We have also been working with EZ-Go and Pace Technology regarding the GPS Look-Ahead feature, which has been problematic with the golf carts' GPS software functionality. They recently upgraded their server to gain bandwidth to support this feature and will also be testing out a new SIM chip for the carts that will add a fourth cellular provider that is currently not accessible. We anticipate this will be helpful by allowing the cart to connect with the carrier with the strongest signal, depending on the cart's location. Additionally, they are working on a software upgrade that should enhance this feature functionality for our Membership. We appreciate the Membership's patience as we continue to work with EZ-Go and Pace to help improve this software's important functionality for our Club.

As you may have noticed, Robert Padgett and the Agronomy Team have been working diligently to improve the landscaping of the parking lot island. They have been removing and replacing many of the overly mature shrubs and enhancing the plants around the Clubhouse.

In March, you will also begin to see the roofing contractors replacing the shingles on the original Clubhouse structure. Once they start, it should not take too long to complete this project. Additional notices will be sent to the Membership before the start of this project. We apologize in advance for any temporary inconvenience this may cause.

We appreciate your continued support as we continue to work on various facility enhancements for our Membership's enjoyment.

Respectfully,

Barry Garrett

A LETTER FROM YOUR MEMBERSHIP DIRECTOR

We are ready for Spring here at The Reserve Club! In February, we hosted many kickoff meetings for our different social and sports groups. We were blown away by the support the Bocce League Kickoff Meeting received. We are always excited to add another fun activity to our roster. Be on the lookout for more Bocce information to come. We also appreciate everyone's attendance and support at our First Friday Pub Club. It always amazes me how generous our Membership truly is. Pub Club is a special time to unwind with your neighbors and friends and also a great way for new Members to meet everyone.

March also has some fun in store! Trivia is only a few weeks away, so be sure you have reserved your table for a night full of sitcom-themed questions. We will take it back through the decades of sitcom TV and put your memory to the test. Nerf Archery will be making a second appearance this month as well. Be sure to sign up before it sells out!

Spring is the perfect time to get involved in the different sports leagues we have at the Club. I would be happy to help you upgrade to a Sports or Golf Membership so you can join the leagues and meet new Members. Please stop by my office or give me a call if you would like to discuss our Membership opportunities!

WELCOME NEW MEMBERS!

SHRIMP & GRITS

Every time we feature shrimp and grits, we have a couple of northerners, like myself, who try the dish for the first time with us and fall in love with it. There are a million ways to prepare this Southern classic, but here is a recipe we like to use at the Club.

Low Country Tomato Broth (3 qt):

- 8 oz Red Onion, large dice
- 8 oz Yellow Onion, large dice
- 10 cloves Garlic
- 7 large Tomatoes, chopped
- 1/4 oz Basil
- 1/4 oz Thyme
- 1 tbsp Old Bay Seasoning
- 1 tbsp Chili Powder
- 1/2 c Olive Oil
- Salt & Pepper to taste

Grits (2qt):

- 1 c Clam Broth
- 1 c White Wine
- 1 c Heavy Cream
- 1 c Water
- 1 c Stone-Ground Grits
- 6 oz White Onion, small dice
- 2 tbsp Garlic, minced
- 1-2 c Cheese of your choice
- 1 oz Lemon Juice
- Hot Sauce to taste
- Salt & Pepper to taste

Instructions - Broth:

1. Toss all the ingredients in a bowl and lay out on a sheet pan.
2. Roast in a 350 degree oven until everything is caramelized, about 20-30 minutes.
3. Allow to cool slightly and purée in a blender, you can add up to 1 cup of heavy cream if you like a richer broth.

Instructions - Grits:

1. Sweat the Onions and Garlic in a Dutch oven or medium pot on low, add the liquids, and bring to a boil.
2. Add the Grits in a raining stream while whisking to discourage clumping. Return to a boil and reduce to a simmer.
3. Cook for about 45 min, stirring occasionally to avoid scorching.
4. Cook until tender and adjust the consistency with cream or water.

Now you have the grits and the broth for the shrimp. We sauté Jumbo Shrimp and sliced Andouille Sausage in a hot pan, then add some of the tomato broth. Let it come to a boil and tighten up a little. Then, spoon that mixture over the grits and finish with sliced scallions. Enjoy!

P I N K L E M O N D R O P

Spring is around the corner! Here I have the perfect cocktail for the nice weather or when you are craving a refreshing drink with friends and family.

Ingredients:

- 3 oz Absolut Citron
- 1 oz Cointreau
- 1 Lemon (juiced)
- Raspberries
- Agave (to taste)
- Sugar (for garnish)

Instructions:

1. Muddle your Raspberries with Agave.
2. Add Ice to your shaker.
3. Add remaining ingredients to shaker. (You can add more Agave if you prefer a sweeter cocktail).
4. Shake it!
5. Rim half of the glass with Sugar.
6. Strain into a martini glass.
7. Garnish with fresh Raspberries and Lemon.

Groups for All Interests

The Reserve Club is home to many clubs and activities. We host card games, book clubs, nature groups, and so many more! There is a group for everyone, but we also encourage our Members to begin their own interest groups. Do you have an idea or interest that you want to share with others? Let the team at the Club bring your ideas to life! Our staff is happy to help promote and facilitate your group. To see some of our clubs and activities, visit our website's Social & Dining page.

Never a Dull Moment

Whether you are an artist in the making, an up-and-coming dancer, or a sports fanatic, there is always something to do at The Reserve Club! It is always a pleasure to witness our Members explore their interests and find new ones along the way. Joining a group or activity is one of the best ways to meet new Members and spend time with your friends and neighbors. Sign up for a group today!

Outdoor Pursuits

Woodside Equestrian Social Group

We're not horsing around! Aiken is a community filled with all kinds of interests, with one of the most popular being equestrian pursuits. The Woodside Equestrian Social Group brings together those who love horses through education and discussion in a social setting.

Butterfly Monarchy

Butterflies are a large part of our ecosystem. They pollinate our plants, encouraging the growth of fruits and vegetables. It is essential that, as a community, we do our part in protecting them. The Butterfly Monarchy Group encourages community and education for the well-being of all butterflies.

Woodside Trail Group

There is nothing like taking a brisk walk throughout the community you call home. The Woodside Trail Group meets monthly to improve and maintain the trails within Woodside and also explore trails around Aiken.

Bluebird Society

The goal of the South Carolina Bluebird Society is simple: to provide factual, accurate, and educational information about the amazing bluebirds and other cavity dwellers. The group provides services and programs to assist in bluebird wildlife and conservation.

DINING & EVENT UPDATES

Love was in the air! It was an outstanding month of February around The Reserve Club. Whether it was a day of golf, social group gatherings, themed dinners, or simply supporting the Club, we loved every minute of it. We will look back at what happened around the Club in February and what to look for in March.

LOOKING BACK AT FEBRUARY

February kicked right off with our First Friday Pub Club, which benefitted the Aiken Women's Heart Board, and it was well attended ahead of the Super Bowl. That same day, we hosted the Women of Woodside Winter Lunch and Annual Meeting. The next day, we hosted the Aiken Equine Rescue Style Show for 250 people. They raised a substantial amount for a great cause and were happy to host it here at The Reserve Club! This month, we had four featured lunches/dinners, including Southern Comfort Night, Valentine's Sweetheart Dinner, Prime Rib Night, and Sunday Brunch. All were well attended, and it was so great to see everyone out. We rounded out the month with the RCWGA 9 and 18-hole opening lunches, and we cannot wait for a beautiful golf season!

LOOKING AHEAD TO MARCH

Continuing into March, it is full steam ahead. Be on the lookout for registration emails for all of our upcoming events, including Lobster Night on the 6th, Trivia Night on the 13th, St. Patrick's Day Tapas and Tasting on the 17th, Prime Rib Night on the 20th, Nerf Archery/Burgers & Brews on the 27th, 5th Friday Pub Club on the 29th, and last, but not least, Easter Brunch on the 31st.

As always, thank you to our Reserve Club Membership for their continued support of the Food & Beverage Program, and we look forward to seeing everyone and their guests at the Club!

Tennis Tips: The 5 Step Guide to a Better Serve

The serve is arguably the most critical stroke in tennis. Every point starts with a serve. Gaining control of the point right from the start with a strong serve can make a huge difference. However, the serve is also one of the most technically demanding shots in the game, requiring perfect coordination of many different body segments, and it is not easy to master. I have simplified the process by presenting you with easy-to-follow steps on how to better your serve.

1. FIND THE RIGHT STANCE & GRIP

- Stand sideways to the net, just behind the baseline.
- Front foot points in the direction of the net post.
- Back foot aligns with the heel of your front foot.
- Your racquet is at hip height in front of your body and points toward your target.
- Left hand is holding the ball and is placed close to the throat of the racquet.
- Hold the racquet with a continental grip to serve, like holding a hammer.
- If you are learning to serve, an eastern forehand grip, like shaking hands with the racquet, is also acceptable.

2. BALL TOSS & TAKE THE RACQUET BACK

- From the starting position, drop both arms, separate them as they reach your front leg's inner thigh, and toss the ball while taking your racquet up to a throwing position.
- Release the ball just as your hand reaches the top of your head.
- Make sure to shift your weight forward as you toss. Shifting it backward will cause you to toss the ball behind you.

3. REACH THE TROPHY POSE

- As you toss the ball, your racquet hand moves slower than your tossing arm. Your wrist is relaxed and your body weight shifts forward.
- Push your hip forward and shift your body weight to the front foot. Point your tossing arm up straight at the ball with your left shoulder well above your right shoulder.
- At this point, you look like you will throw the racquet up to the sky.

4. JUMP & SWING

- Push off the ground and start your swing at the ball. If you time it correctly, as both your legs are straight, your racquet will drop behind your body, pointing to the ground and reaching its lowest point.
- When advanced players serve using the continental grip, the front edge of the racquet points in the direction of the ball as the racquet swings up. Your racquet arm moves up, and the tossing arm moves down towards the stomach.

5. MAKING CONTACT WITH THE BALL

- The contact point occurs at full extension and in front of your body. Your body is totally stretched, forming a straight line from your left foot to the tip of the racquet.
- Contact with the ball should be at the peak of the toss, so make sure you toss the ball high enough.
- By pronating your forearm and wrist, the string bed will be pointing toward the target.

Superintendent's Message: Spring is in the Air!

As of this writing, Mother Nature has been very good to The Reserve Club. The January cold snap did no significant damage as we could get out and cover our greens with pine straw and tarps. We've also noticed some growth in the Bermuda on our green complexes. We are anxiously awaiting the arrival of our H2B Visa resources to begin to supercharge our maintenance activities in 2024. They are due to arrive on Monday, March 4th!

During the February Greens Committee meeting, we discussed many topics, including our 2024 goals and objectives. You can read all about it in the February minutes. To summarize, we are going to focus heavily on course drainage, bunker remediation, clubhouse beautification, and bridge safety. Specific projects were agreed upon in each area, and I'm excited to get started!

2024 Drainage Projects

In 2024, we expect to complete drainage projects on the following holes:

- Reserve Course:
 - #4, #6, #8, #16, #18
- Hollow Creek:
 - #1, #3, #5, #17, #18

I want to thank the Golf Membership for participating in the survey to determine the overall opinion of overseeding our courses and the resounding confidence that the vast majority of you communicated in the multi-year program we are implementing to drive bermudagrass turf improvement in our greens, fairways, and rough. The stated position of my team and the Greens Committee continues to be that we will consider overseeding of one of the courses, if and when turf quality throughout the year can withstand the rigor and stress of lack of sunlight in the winter and the transition in the spring.

Wheels on the Path!

Please take care when operating your cart. You can make a big difference!

Member feedback is essential, and because of a Member inquiry, we discussed ways to highlight and motivate our community to take pride in our beautiful golf courses. Playing golf implies an inherent responsibility on the part of the players to take care and fill divots in the fairways, avoid whip turns that damage turf, rake bunkers, and fix ball marks on the greens. We are going to work with the Golf Committee to keep this responsibility at the top of your mind during the coming year to make our courses as playable as possible. If you have thoughts or ideas on this topic, please reach out to any member of either Committee.

Tip of the Month

Fix your ball mark when on the greens, plus one more. As our turf comes out of dormancy, you can help ensure our greens are pure!

For more information, please check out the February Greens Committee meeting minutes on the Reserve Club website. The minutes have been combined with the Advisory Board minutes under the "Resources" tab, followed by "Advisory Board & Committee Role and Responsibility" and "Recent Committee Minutes."

Your Inside Guide to Masters Week 2024

APRIL 8TH - 14TH

In a few weeks, the best players in the world will convene in Augusta to compete for the title of “2024 Masters Champion.” Scottie Scheffler, Rory McIlroy, Justin Thomas, and Jordan Speith all have their eyes on the title and are sure to create the final round back-9 drama that has become synonymous with The Masters.

Golf fans from around the world will be visiting Aiken and Augusta to attend The Masters Golf Tournament. During Masters Week, the Club invites Masters Patrons from around the world to enjoy our beautiful golf courses and The Reserve Club experience.

TRC MEMBER’S GUEST FEES RATES

The following rates apply to all guest fee categories (Accompanied, House, and Family Guests). Rates include cart and greens fee, as well as all taxes.

18 Holes - \$89

9 Holes - \$52

TEE TIMES

The standard Reserve Club Tee Time Policy will apply to Masters Week. Tee times and tee time requests are to be made through ForeTees. A limited number of morning tee times will be available on Wednesday, Thursday, Friday, and Saturday. Most morning tee times have been secured by tour operators and visiting Masters Guests. Monday, April 8th, and Tuesday, April 9th, offer the best availability for Member tee times.

Tee Time availability is subject to change.

MAJORS CHALLENGE! SELECT YOUR MASTERS TEAM

Through the "Majors Challenge" site, we will be conducting a "Draw Tournament" for each of the golf Majors, The Masters, The PGA Championship, The Open Championship, and the U.S. Open.

The Masters Entry Fee is \$25 and will be billed to your Club account. There is no limit to the number of times you can enter. When The Masters field is announced a few days before the start of the tournament, you will select 12 players (your team) from the lists provided online at Majors Challenge. Each day, your best 8 scores of 12 will be used as your team score. The more players on your team that make the cut, the better your chances. Payouts will be in golf shop credits.

If you are new to Majors Challenge, visit www.majorschallenge.com/club/thereserveclub to sign up and receive your invitation to participate in The Reserve Club’s “Masters Draw.” On Monday, April 8th, you will receive an email notifying you that The Masters field is set. You can now begin selecting the players for your team. Make changes to your team/players any time before the first player tees off.

MEDAL OF HONOR

THE RESERVE COURSE
MARCH 21ST

4-Man Teams

Two Best Ball Format

Stableford Scoring

Net & Gross Divisions

President's Message:

Can you feel it? As we begin our fourth season, excitement is building as we are less than 3 weeks away from our first event of the 2024 season, The RCMGA Medal of Honor tournament scheduled for Thursday, March 21st. The Medal of Honor event is our tribute to the men and women whom the United States Armed Forces awarded the highest military decoration. We thank them for everything they did and do. Contested on the Reserve Course (Nicklaus), the Medal of Honor tournament is a four-man team, best 2 balls of the foursome, Stableford scoring competition. There will be winners for both Gross and Net team scoring, as well as individual achievement awards, Closest to the Pin prizes on all four par 3's, and an optional skins game – we truly have “something for everyone!”

If that's not enough to get you excited, the Medal of Honor tournament is also the kickoff to our year-long chase for the Jim Hudson Cup. As in previous years, all participants in the event will receive participation points and bonus points will be awarded to the top four teams in the Gross and Net team competition. Points accumulate during the entire season, with the best 6 out of the 8 season events counting toward the Cup. We are thrilled to have Jim Hudson back as a sponsor again this year!

I've already started to see commercials for the 2024 Masters Tournament fill the airwaves, and they serve as a great reminder that the RCMGA Board has added a second major tournament to our 2024 schedule: the RCMGA Masters on Thursday, April 18th. This event will feature an additional \$500 in prize money, and an increase of Jim Hudson points by 50 percent. We will feature a Masters-themed lunch and Masters-themed awards for the winning teams. You won't want to miss it!

If you haven't already done so, there's still time to join the RCMGA and participate in the entire season. You can check us out on the RCMGA page on the TRC website, join on Foretees under the Events tab, or simply call the Golf Shop and tell them that you want to join!

RCMGA Members eagerly hear about the 2024 Season at the recent Tee-off meeting held January 26th at the Club.

Find more information about the RCMGA on the Club website.
