

# Join the Butterfly Count: Take Nature's Pulse with Us!

**Bring a friend or neighbor and join us  
on July 20 at 9:00 am at the Butterfly Park!**

Your participation makes a difference! This is year two for The Butterfly Monarchy Club's participation in the CSRA, North America Butterfly Association (NABA) count. The Butterfly Count is a community-driven survey designed to gauge the health of our environment by counting and identifying the butterflies we encounter.

## How to Participate

### 1 Get Ready

Mark your calendar for July 20 at the Woodside Reserve Butterfly Park. If you need a gate pass to access the community park, please contact [butterflymonarchy@gmail.com](mailto:butterflymonarchy@gmail.com)

#### Park Address:

Chrysalis Bend [off Anderson Mill Road]

Aiken, SC

*Detailed Directions on Next Page*

**What you'll need:** please bring your cell phone to capture pictures of the butterflies you encounter - this is not required but recommended. \*We will have pencils, colored identification and data count sheets at the park. Water will also be provided.

### 2 Join In

Activities kick off at 9:00 am. Expect to spend no more than an hour with us. We'll start with a short workshop on how to identify and record what you see. Then you're off to count in your backyard or a local park – you'll spend about 15-30 minutes doing this. \*We will provide guidelines on count locations.

### 3 Add Your Counts

Data sheets need to be submitted as soon as possible following the count. You can turn them in to Susan Potter, Pat Dunlop or Tammy Cillo. Alternatively, you can take a picture of your count sheet and mail it to [butterflymonarchyclub@gmail.com](mailto:butterflymonarchyclub@gmail.com)

We hope to see you at the count!!

Please contact us with questions at [butterflymonarchyclub@gmail.com](mailto:butterflymonarchyclub@gmail.com)

# Butterfly Park

## Directions

Chrysalis Bend [off Anderson Mill Road]  
Aiken, SC

- 1** From the Main Gate, turn right onto Woodside Plantation Drive.
- 2** Follow Woodside Plantation Drive for one mile to Steeplechase Drive and turn left onto Steeplechase Drive - it's just before you get to the Reserve Club.
- 3** Follow Steeplechase 1.7 miles until you get to Anderson Mill Road and turn left onto Anderson Mill Road. If you get to the back gate, you've gone too far. Anderson Mill is just before the gate.
- 4** Go 1/4 mile on Anderson Mill and look for the sign that says "Bristlecone Ridge."
- 5** The Butterfly Park is in the Bristlecone Ridge neighborhood - look for the white gazebo.
