# A NOTE FROM YOUR GENERAL MANAGER

As we venture into 2026, I trust everyone had a safe and happy holiday and that you were able to spend quality time connecting with family and friends.

Your leadership team has been busy formulating plans for the Club's operation for the 2026 fiscal year. We are diligently planning our social, activity, and dining promotions calendar, along with our schedule of events for golf, tennis, pickleball, fitness, and swimming pool. Our marketing associates will soon be sending out a quarterly communique outlining our calendar of upcoming events and activities. We are also evaluating our current programs and looking for opportunities to refine and improve our service levels and Member satisfaction.

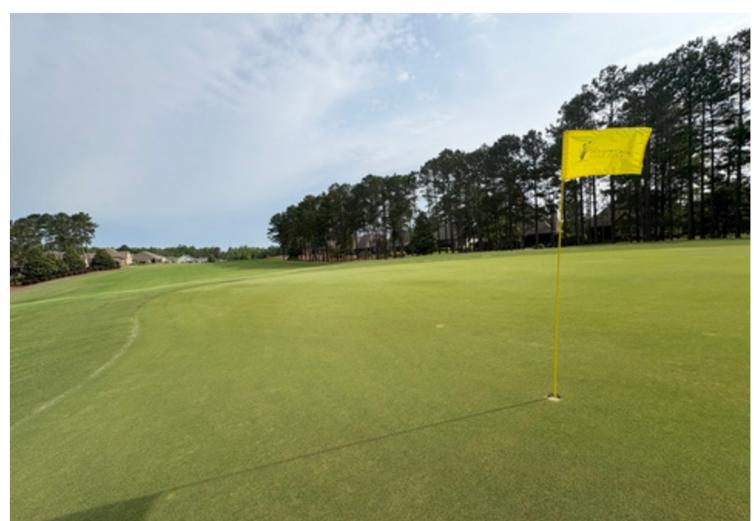

December was a busy month, and the Club was in top form, appointed with beautiful holiday decorations as we hosted a wide variety of holiday luncheons, dinners, and organizational events. The feedback I have received has been overwhelmingly positive, with many acknowledging the continual improvements we are making with the Member experience. While we strive to make continual improvements each and every day, it is important to reflect back and acknowledge the successes we have made over the past year. I am proud to say we are in a much better place operationally than we were a year ago. We hope you agree. We still have plenty to accomplish to reach the level of consistency we are striving for, and we are committed to making a difference.

Over the winter, the Club will continue to work on the cart path project on Nicklaus #7 and #8. We appreciate your continued support when we feel it's necessary to close a hole while crews are working.

In closing, I hope to see many of you this winter taking advantage of our dining operations, and don't forget that the staff at the fitness center can help you make good on those New Year resolutions about getting more exercise and being physically fit.

In closing, I wish everyone a healthy, prosperous, and happy New Year.

Respectfully,

*Barry Garrett*

Happy New Year! First off, I hope that everyone had a safe and Happy Holidays. It was certainly a booming month of December, as I will briefly recap what the Club had to offer and what we are looking forward to in January.

I wanted to start by giving a shoutout to our incredibly generous Membership for their contributions to the annual fund, which was dispersed to all employees. We are incredibly grateful! Also, a major shoutout to our Food and Beverage teams, as it was a fun-filled, long month. Everyone showed up with a smile to take care of our lovely Members and their guests.

Throughout December, we hosted quite a few Christmas parties for neighborhoods, companies, golf groups, and more. It is never too early to start inquiring about hosting your holiday party for 2026. We also held three themed Pub Clubs including Ugly Sweater, Santa Paws, and Twelve Tastes of Christmas. All three were very well attended, and it was amazing to see everyone show up in their holiday gear! On December 7th, we hosted our annual Holiday Brunch with over 80 Members and guests in attendance! Last, but certainly not least, we had our New Year's Eve Extravaganza with over 170 Members and guests. Everyone had an amazing time and we were so glad to ring in the new year with our incredible Membership.

# Dining & Event Updates

As we look ahead to January, we will be hosting a few dining room promotions to be on the lookout for. Please be sure to keep an eye out for more information and how to register as these events sell out quickly.

As always, thank you for your incredible support of our Food & Beverage teams, and we cannot wait to see what 2026 brings!

We had lots of fun holiday events with Members exchanging their favorite holiday cookies. Here is a recipe for one of my favorites: Peanut Butter Blossoms

## DIRECTIONS

1. Cream butter and peanut butter until smooth and fluffy in a stand mixer or with a hand mixer.
2. Beat in the sugars and mix until light and fluffy.
3. Add egg and vanilla and mix until just combined
4. Mix the dry ingredients together, then add slowly to the wet and combine until incorporated.
5. Scoop or roll dough into 36 balls and chill for about 30 min
6. Roll dough in sugar and place on a parchment-lined sheet about 2 inches apart
7. Bake in a 375 oven 8-9 minutes or until the edges are set and the center is still soft
8. Remove from oven and immediately press a chocolate kiss into the center, cracks will form naturally
