GENERAL MANAGER'S UPDATE

As we move through the heart of summer, I want to thank our Members and staff for making this such a vibrant season at The Reserve Club. From busy golf mornings and active racquet sports programming to packed dining events and social gatherings, the energy around the Club has been tremendous.

A special thank you goes to our staff for their incredible efforts during the Fourth of July holiday weekend. The events were a tremendous success, and I could not be more proud of the hard work, dedication, and teamwork our entire team displayed. Their commitment helped create a memorable experience for our Members and their guests.

Another recent highlight was our State of the Club presentation. Developer Rick Steele provided an excellent overview of both the successes we have achieved and the challenges we continue to work through. The feedback we received was overwhelmingly positive, and I appreciate everyone who attended and shared their thoughts. The ideas and input from our Membership help us continue to raise the bar and improve every aspect of the Club experience.

Our leadership team remains focused on several important initiatives, including facility improvements, technology enhancements, and operational efficiencies designed to elevate service and strengthen the Member experience.

As always, thank you for your continued support, engagement, and commitment to making The Reserve Club such a special place. I look forward to seeing you around the Club in the weeks ahead.

Warm Regards,

Nick Brisk

A LETTER FROM YOUR MEMBERSHIP DIRECTOR

Hello, Reserve Club! I would like to thank everyone who helped us celebrate our country's 250th anniversary here at the Club. It was a spectacular day for all, which ended in a very special flag ceremony, followed by our amazing fireworks display! Thank you to those who helped make it all happen, especially our veterans and their service. A big shout-out to our dedicated Reserve Club staff for pulling it all together!

We also had the pleasure of hosting two consecutive evenings of comedy with Joe Sib, and it was a resounding success! It was great to see the laughter and engagement of our Membership. It was wonderful to see some faces that we haven't seen in a little while! We are doing our best to keep the momentum going and offer a larger variety of activities and events for you to participate in. I love seeing the Club alive with activity and camaraderie.

On the Membership front, all is well. We have welcomed new Members who are building with us in the Peninsula and Anderson Farms as those areas are being developed. We have also seen existing homes being bought and sold, which will change some of the faces we see around the Club. Please welcome them and show them why this place is so special!

Please watch the Social Calendar and marketing announcements for upcoming activities and opportunities to support our Club. I look forward to seeing you here!

Recover Better, Feel Better

Most people focus on the workout itself, but the real magic happens during recovery. Whether you're attending a TRIBE session, playing golf, taking a yoga class, or simply trying to stay active, a few small recovery habits can make a big difference in how you feel.

Here are three simple recovery strategies I encourage everyone to prioritize:

1. Move the Day After a Tough Workout

You don't need another intense session. A walk, a gentle yoga class, or light stretching can improve circulation and help reduce soreness.

2. Prioritize Protein and Hydration

Aim to include protein at each meal and drink water consistently throughout the day, not just during your workout.

3. Don't Underestimate Sleep

Sleep is when your body repairs and adapts. Even an extra 30 minutes of quality sleep can positively impact your energy, recovery, and overall health.

WELCOME TO THE RESERVE CLUB!

STEWART ATKINS

We are excited to announce that Stewart Atkins will be joining The Reserve Club as the Director of Racquets & Recreation and will officially begin on August 3, 2026.

After a lengthy search and an evaluation of several highly qualified candidates, Stewart clearly emerged as the top choice. Throughout the interview process and during his visit to the Club, it became increasingly evident that he was the right fit for the team, the culture, and the Membership. The way he connected with the Members and staff, combined with his passion for racquet sports and Member engagement, made a lasting impression on everyone involved in the process.

Stewart brings more than 30 years of experience in the tennis industry, having served in leadership roles at premier clubs, resorts, and tennis facilities throughout his career. Most recently, he served as Director of Tennis at Jekyll Island, where he successfully led programming, events, instruction, and facility operations. Prior to that, Stewart spent more than two decades as Director of Tennis at The Grove Park Inn Resort & Spa in Asheville, North Carolina, overseeing all aspects of tennis and recreation operations at one of the region's most respected resort properties.

In addition to his club and resort experience, Stewart has been heavily involved with the USTA and tennis industry leadership.

His accomplishments include:

- Vice President, USTA Georgia (2020-2025)
- First Vice President, RSPA Georgia
- President, Golden Isles Tennis Association
- Chair, USTA Georgia Tennis Professionals Committee
- Vice Chair, USTA Southern Tennis Professional Relations Committee
- 2022 USTA Georgia Randy Stephens Volunteer of the Year Award Recipient

Stewart is also a certified tennis professional through multiple organizations, including RSPA, PTR, and USTA Coaching.

We are confident that Stewart's leadership, experience, and passion for growing the game will be tremendous assets to The Reserve Club. He will play a key role in continuing to expand and enhance our tennis, pickleball, aquatics, and recreation programming while helping us further elevate the overall Member experience.

Please join us in welcoming Stewart and his family to the Woodside community. We are excited for his arrival and look forward to the future of our Racquets & Recreation programs under his leadership.

SUPERINTENDENT'S MESSAGE

Hello Members! After a rough start, it's turning out to be a great growing season – great for the grass and the native areas. The rough is, well, rough, and the courses are now both healing nicely! The Hollow Creek aerification wrapped up, and I'm happy with the results and the progress we made, with one exception. Due to multiple days of rain, we were not able to aerify the back 9 fairways, a process that will have to continue over the next several weeks. An early warning for next year – we will be going back to two aerifications per course for one week at a time. The reason for this is to ensure we can provide the best possible conditions and have some flexibility in what processes we execute.

As we enter the prime golfing season, work continues around the course to remediate hurricane damage (yes, we're still doing that), beautify our courses, and address infrastructure issues. We recently limbed up a number of trees on #16 – 17 of the Reserve Course and removed stumps downed during Hurricane Helene. We have planted a number of trees along the left side of the cart path on #7 of Hollow Creek and sodded the area on the golf course side of the enlarged pond near the green on that hole. In addition, we've begun the process of addressing potholes that have developed, specifically on the Hollow Creek course. Finally, we are replacing the final pump in the pumphouse that serves the Hollow Creek Course. We are grateful for the investment in infrastructure that will allow us to keep the courses in tip-top shape.

Last month I mentioned an issue with the survey system, and Nick Brisk has been working with the company to address the problems. One of the fixes involves updating the survey forms, so watch for that in the upcoming weeks.

I'm excited about the upcoming "Superintendent's Revenge" Twilight Zone golf event, scheduled for August 6th. Please come out and "enjoy" the golf – it'll be an experience!

As we enter the "Dawg Days" of August, please remember to hydrate while out playing golf. It can get warm out there, so please be mindful and keep the water flowing.

For more information on what's happening, please check out the minutes from the July Greens Committee meetings and the 2025 Annual Report on the website. They are located under the Resources tab and the Advisory Board & Committee Role and Responsibility tab.

I'll see you on the course!

Robert Padgett

GOLF COURSE SUPERINTENDENT

TIP OF THE MONTH:

As the weather heats up, it's very important that you remember to find and fix your ball marks on the greens! This little action goes a long way to keep your green smooth - while you're at it, find and fix someone else's!

Gross & Net Divisions in Each Flight

Good morning RCMGA members,

We've just wrapped up our fifth event of the season—the **2nd Annual Charity Summer Classic**—and what a fantastic day it turned out to be. With **88 players** forming **22 strong teams**, competitive action across both gross and net flights, and a great turnout overall, the event was a big success. Best of all, we raised a lot of money for the **First Tee of Aiken**. The final total will be announced at our next event.

If you weren't able to participate but would still like to contribute, donations will be accepted through **July 30th**. Forms are available in the pro shop, or you can reach out to any of our board members.

Charity Summer Scramble Winners:

First Place Gross - Steve Feldman, Joel Gissendanner, Tom Butler, Tom Foss

First Place Net - Jack Roudebush, Ron Kuntz, Bill Cody, Rich Chaney

This event also gave us a moment to remember our good friend and long-time board member, **Scott Calhoun**. Scott was a driving force behind the RCMGA and a major influence in creating our charity event. His wife, **Dianne**, joined us and generously provided breakfast for all participants. Many thanks to Dianne. **RIP Scotty.**

Jim Hudson Cup Update:

The race for the Cup is heating up. With three events still ahead, there's plenty of opportunity to climb the leaderboard. See the top five after five events to the left of this message.

Upcoming Events:

Our next event, the **Jim Hudson Challenge**, is scheduled for **August 20th** on the Nicklaus Course. This will be a **two-man better-ball** format with **Stableford scoring**, featuring both gross and net winners in each flight.

Before that, we'll host our **2nd Annual RCMGA Road Trip on August 17th at Westlake Country Club** in Augusta. Registration for both events is open and filling up quickly. You can sign up through the RCMGA website, the app, or by calling the pro shop.

For the Road Trip:

- Pick your own team, or we'll do it for you
- **10:00 AM** shotgun start
- Driving Range opens at **9:00 AM**
- More details available on our website

That's All for now folks. Thank you, as always, for your continued support. See you in the fairway!

RCWGA NEWS

What do you get when you put together 145 women golfers celebrating the joy, fun, and connection golf can bring? The Niners - the Reserve's Nine-Hole Women's Golf Association (RCWGA-9).

Our mission is all about Fairways and Friendship – making golf accessible and open to all, with an emphasis on laughter and learning. The Niners was started in 2004 by Bobbie Hood and three new Reserve Club friends who wanted to play a weekly nine-hole round. And 22 years later, The Niners is going strong with a calendar of events open to any female golfer, regardless of skill level.

The Niners' weekly golf calendar begins in March and ends in early December of each year, offering league play, fun scrambles, nine-hole exchanges with area clubs, PGA professional golf clinics, and a variety of social events. There is something for everyone! A handicap is not needed, but our events do provide the opportunity to learn the game, post scores, and improve your game, all the while having fun and meeting golf-minded women.

Our signature event, the Niners' Member-Guest Tournament, is held each September and is the highlight of our season. This year's event features two unforgettable days of Niner golf, exciting games and contests, delicious meals, festive cocktails, and plenty of fun. In honor of America's 250th birthday celebration, our 2026 theme is Ladies of Liberty – Niners Salute Lady Liberty: Celebrating Life, Liberty, and the Fairway to Happiness!

For more information about membership in the Niners or our events, please contact Deb Fin, RCWGA President, at 248-770-0638
